Orange, New Jersey--Orthopedic Surgeon Dr. James M. Lee and his staff announce the grand opening of the Essex County Work Injury Center which offers a full rehabilitation program for injured workers.

Services include physical therapy treatment following injury and other full rehabilitation programs with simulation of job tasks for safe and efficient return to work.

This state-of-the-art facility will have a dedication and ribbon cutting ceremony followed by an open house. A tour of the facility along with equipment demonstrations will be featured. Orange Mayor Robert Brown and other distinguished guests will attend.

Refreshments will be served. The press is invited to attend.

WHEN: THURSDAY APRIL 23, 1992

WHERE: 517 Central Avenue, Orange, NJ
(at the corner of Scotland Road)

TIME: 12:00 NOON - Dedication Ceremony
1:00 P.M. - Tours & Equipment Demonstrations

Open House 1:00 p.m. until 6:00 p.m.
